Awarded with Lifetime
Achievement Award
by
The Federation Of Educational
Publishers In India

Modern Publications was established by Mr. Ashok Kumar Sharma in 1975 with a very modest beginning. It started with just two titles. It has now grown from strength to strength in the last 52 years. Modern Publications, a producer of quality school text books has around 400 titles catering to the needs of school children from kindergarten to class XII. All these books are written and edited by experienced, subject experts and learned teachers who have seen to it that the syllabi prescribed by NCERT, CBSE and ICSE are adhered to. Many more books are in the pipeline for production.

We, at Modern Publications aspire to see every Indian child educated and we hope to provide quality and affordable books to all the children irrespective of their economic or social status.

HOB NOB NURSERY

About The Series

NURSERY

HOB NOB is a comprehensive learning program that progressively prepares young learners for advanced grades. It helps children learn, understand, and apply knowledge through hands-on experiences from their surroundings. The series covers important subjects like English, Hindi, Mathematics, General Awareness, and Art and Craft while focusing on listening, speaking, reading, and writing skills. Hob Nob is carefully planned to meet children's academic needs and lighten their school bags. The series is strictly based on the National Curriculum Framework (N.C.F.) aligned with the National Education Policy (N.E.P.).

PHOENIX VALUE EDUCATION CLASSES 1-8

About The Series

These Value Education books for classes 1 to 8 will serve as a true blessing for students. Each book presents different morals in such a way that students learn all the essential values and grow into respectful and responsible citizens. Every book covers a variety of morals, presented through engaging sections like WARM UP Poem, What Does It Means, Why Is It Important?, Animals Can Teach, Notable Personalities Who Exemplify the Moral, Story Time, Let Us Remember, Simple Questions, Activities, For the Parents, and For the Teachers, and many others.

- Captures students' attention with inspiring poems about influential figures, setting the tone for the chapter.
- Discusses the impact of these values on society and personal growth, motivating students to adopt similar traits.
- Highlights the achievements and values of historical and contemporary figures, inspiring students through their stories.
- Reinforces the main lessons learned from each personality, helping students internalize the values.
- Provides creative activities that encourage students to express what they have learned through art, writing, or discussion.

  Supplies educators with strategies to effectively teach these values, fostering discussions that encourage student engagement.
- Clarifies the key virtues exemplified by notable personalities, ensuring students understand their significance.
- Draws parallels between the virtues of notable personalities and the lessons we can learn from animal behavior.
- Engages students with anecdotes from the lives of these personalities, making the morals relatable and impactful.
- Encourages students to think critically about the morals, fostering a deeper understanding of their significance.
- Offers tips for parents to discuss the virtues of notable personalities with their children, strengthening moral development at home.

PHOENIX RICO ART CLASSES 1-8

About The Series

In line with the National Education Policy (NEP), the Rico Art series offers an extensive range of activities for students from class 1-8. This comprehensive guide is designed to cultivate creativity and foster a love for art among young learners. Each volume in this series is a treasure trove of meticulously planned art and craft activities aimed at enhancing the creative skills of the students.

This series is an ideal resource for children interested in developing their artistic skills and is recommended for use both in schools and at home.

- Step-by-Step Drawing Techniques: Learn to draw your favourite objects and animals with easy-to-follow, step-by-step instructions.
- Craft Projects: Engage in exciting craft projects, including origami, paste household materials, recycled projects, and much more.
- Various Art Styles: Explore traditional and contemporary art styles like Madhubani art, Warli art, stencil art, toothbrush spray art, Mithila art and pattern making, etc.
- Tracing and Colouring: Master the art of tracing and colouring with a variety of tools such as crayons, coloured pencils, pencil shading, water colour and poster colour etc.
- Impressions Activities: Make your mark with thumb impressions, hand impressions, earbud impressions, pen cap impressions, and jute impressions, etc.
